1. HOW IT WORKS

Step 1 - Register
Sign up on the website with a valid sponsor ID. Every new member is placed in either the LEFT or RIGHT leg of their sponsor's binary tree. Registration is free.

Step 2 - Activate
Purchase products worth 100 BV (lifetime) to become an ACTIVE earning member. Only active members receive sponsor, level and binary income.

Step 3 - Build Your Team
Share your referral ID. Every person you personally sponsor earns you a direct bonus, and their purchases generate level income up to 5 levels above them.

Step 4 - Match Legs
As your left and right teams grow, the system matches their business volume 1:1 and pays you binary matching income on every matched pair.

2. THE FOUR INCOME STREAMS

A. Direct Sponsor Bonus - 5% of BV

Earn 5% of the BV of every order placed by members you personally sponsored. Credited instantly to your e-wallet when the order is approved.

B. Level Income - 5 levels

Earn from your whole sponsor tree: Level 1 = 5%, Level 2 = 3%, Level 3 = 2%, Level 4 = 1%, Level 5 = 1% of the BV of every approved order in your downline.

C. Binary Matching Income - 10% of matched BV

Your two legs accumulate BV from all team purchases. Matching happens in units of 100 BV (1:1). You earn 10% of the matched volume. Example: left leg 5,000 BV, right leg 4,000 BV - 4,000 BV is matched, you earn Rs. 400, and the extra 1,000 BV on the left carries forward.

D. Rank Achievement Rewards

Grow your team business volume and active directs to unlock one-time rank rewards, from Silver to Crown Star.
